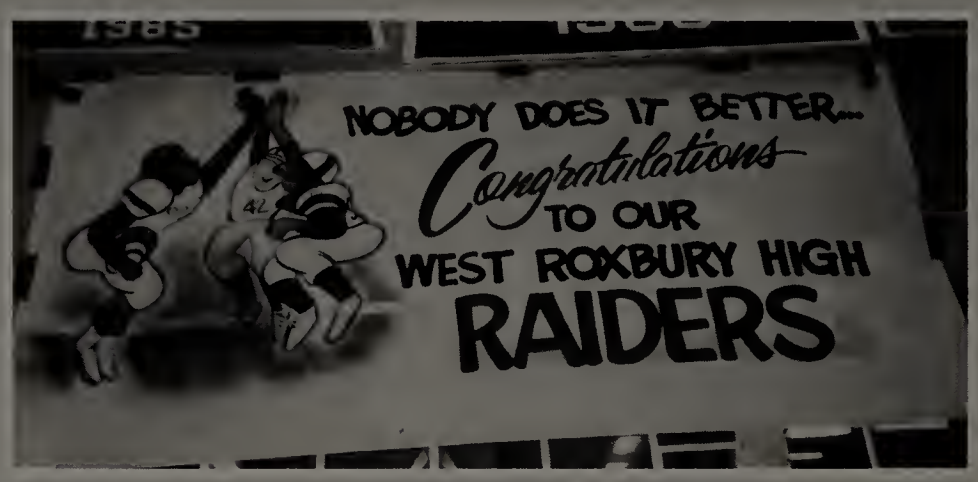
WRHS; 1025 V.F.W. Parkway; Boston, Massachusetts

Oh, What a Year . . .

Saga of the defective brick work: after three years of destruction and construction, finally — WRHS puts on a new face.

The Evaluation Team from the New England Association of Secondary Schools and Colleges visited WRHS in October. They gave us an excellent report.



Another championship year at Westie.

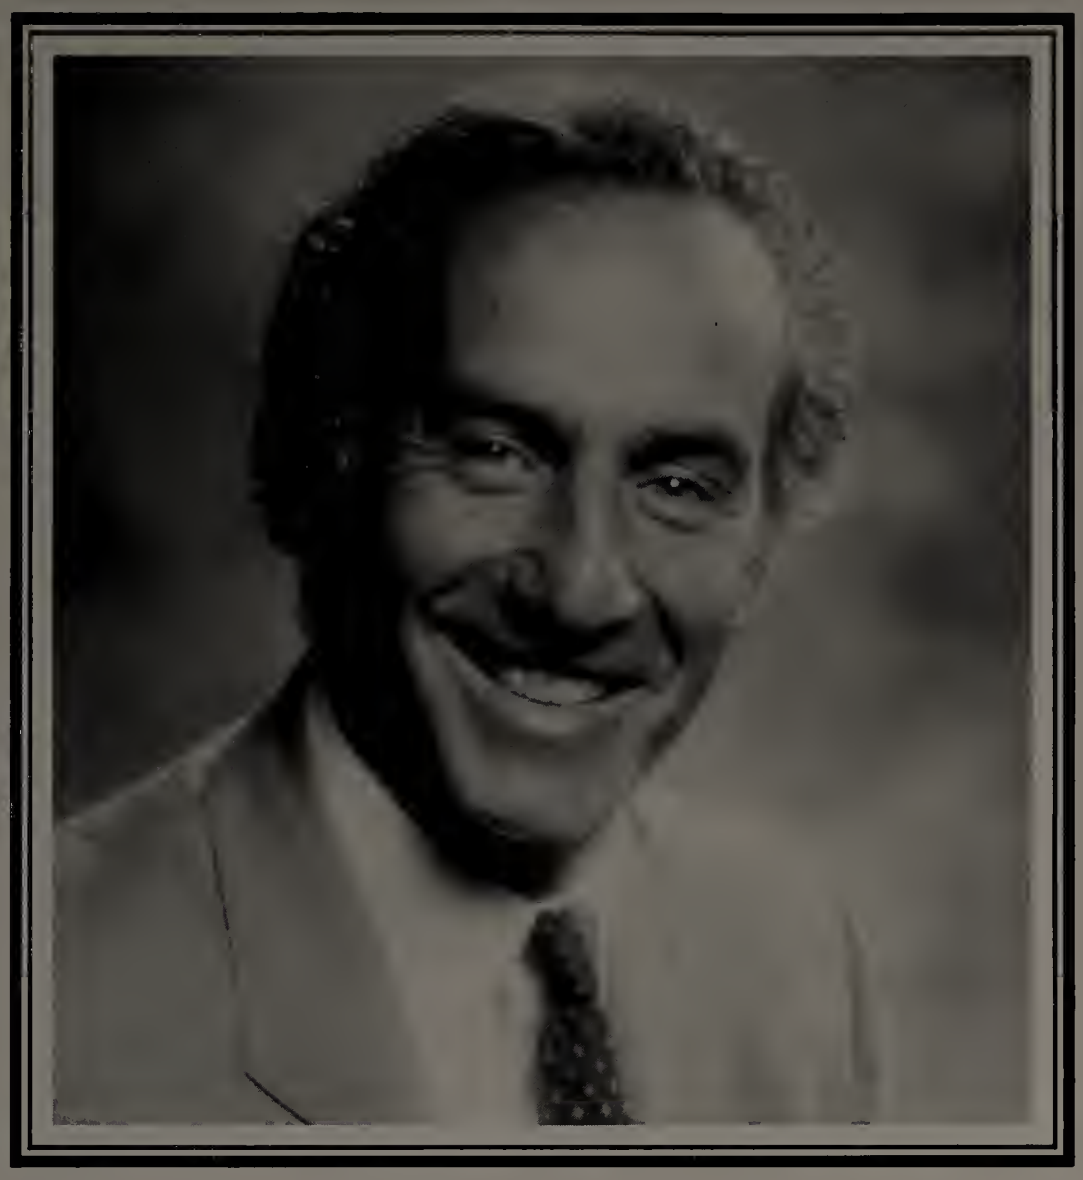
The wicked witch of Westie High!

Raiders' fan Mayor Flynn visits WRHS.

Sometimes it gets scary around here!

OUR LEADER

Headmaster Donald Pellegrini



Congratulations to you on your graduation from West Roxbury High School. However, it is my hope that you will never stop learning! You must take with you the understanding that learning is perpetual and that it is not easy and not always entertaining. Learning can be interesting, rewarding, and exciting, but it requires effort and sweat. Just as no ditch gets dug without effort, no learning takes place without effort, work and much sweat. Mental sweat is required to acquire skills, concepts and information necessary to master a subject or task.

To succeed in our society, one must work very hard. It is cruel to you and dangerous to our society to allow a belief, that we need not struggle to excel. At West Roxbury High School, we have tried to nurture this.

I know you now understand that there is simply no way to combine the instant provisions of happiness with the business of excellence in life's endeavors without effort, work and sweat!!

A Parting Tribute
To a very special lady

Mrs. Bernice Butler-Skinner

Mrs. B Retires

The class of '89 is proud to honor our dear friend, Mrs. Bernice Butler-Skinner, affectionately known to us as "Mrs. B." Mrs. B is retiring this year after many years of service in the public schools. She joined us here at Westie in 1978 after having been an aide and security officer at various schools such as the Holland, Holmes, Madison and Dorchester High, but after 10 good years here at Westie, this is truly her second home.

Mrs. B will always be remembered warmly in many ways especially for her favorite sayings, "Hey Sugar!" "Hey Baby!" and "Candy, want to buy some candy?" and gentle nudgings to do what we knew we must . . . "Get off my floor!" and "Go to class now!" Mrs. B says she will miss all her "babies" here at Westie and we know she will be missed by all her babies who will remain here to carry on without her constantly friendly greetings.

So here's to you Mrs. B from the class of '89! We love you and hope you enjoy your retirement. You will always be well remembered in our hearts.

Mrs. B enjoying her favorite fundraising activity on her floor.

Although Miss Crutchfield is still our cheerleading and softball coach, she now holds the position of guidance counselor at South Boston High. Mr. Buttner and Mr. Milano taught social studies classes for many years at WRHS. This year they transferred to East Boston High and Latin Academy respectively.

Mr. Harris, former housemaster, assistant headmaster and coach of various sports teams, became the principal of Robert Gould Shaw Middle School last year. Mr. Harris was here for WRHS students since 1976.

Mr. Dodson of the Compact Ventures Program, is now at Lena Park Recreation Center.

Mr. Talbot, better known as "the swimming coach," is at the Mattahunt and Holland Schools instructing swim classes.

Mrs. LaCroix of the Math Department and Ms. Kaplan, teacher of the hearing impaired, are both on sabbatical leave this year.

The three women in the photo above were among the missing for part of the year. Their maternity leaves resulted in a third child for Ms. Smith; Mr. and Mrs. Carpenter welcomed their first child, a daughter, in November. Mrs. Adam was also on maternity leave, she and her husband are to be congratulated on the birth of their first child, a daughter.

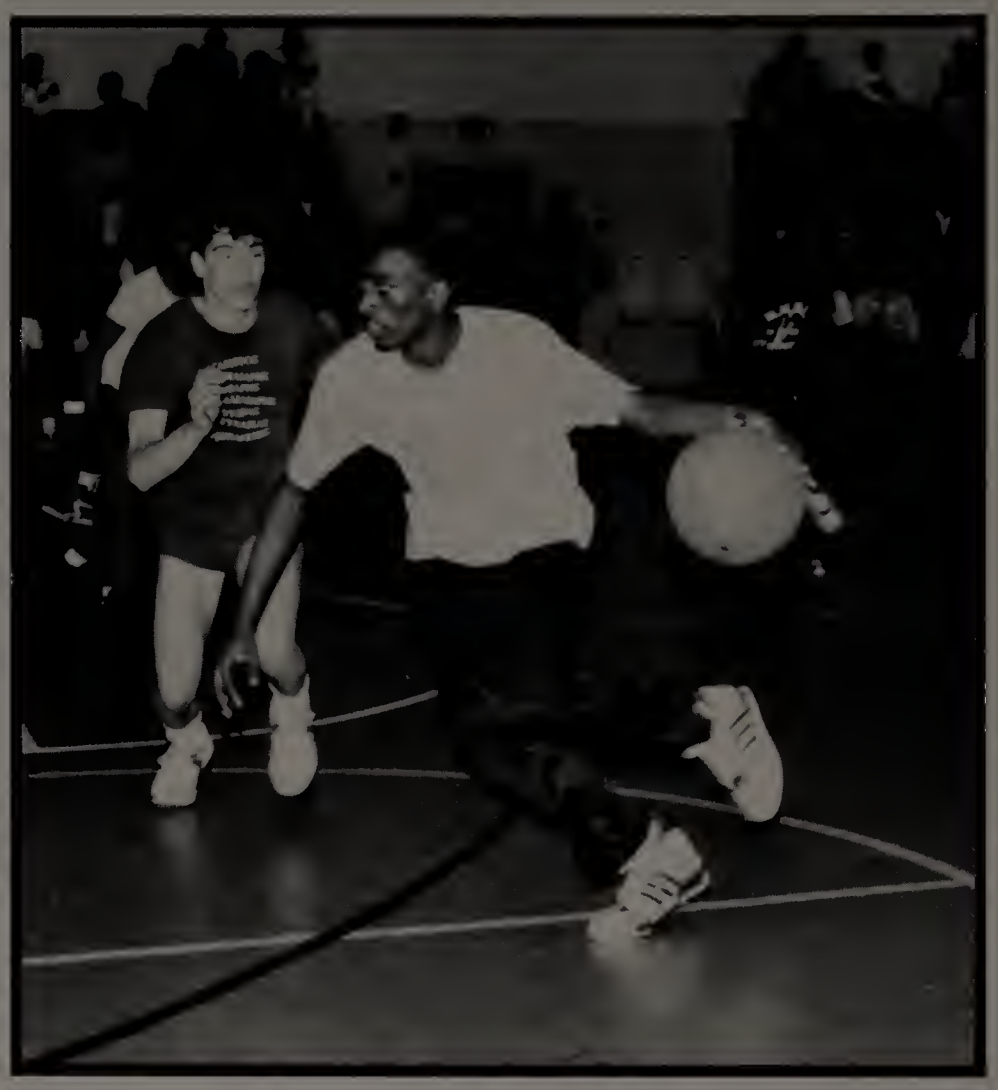
IN MEMORY OF A FRIEND WE LOST

Paul Mahoney (1969-1988)



Nature's first green is gold,
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down to day.
Nothing gold can stay.

Raiders on a Roll

Our football team does it again! They ended another great season with a winning streak of 23 games straight. What a season! They gave up only 36 points, shut out six teams, and averaged 30 points a game. Led by fullback Derrick Rucker and quarterback Jermaine Woods, the Raiders offense and defense came together and showed that when you get good talent with good speed you get great results. The proud coaches, Leo Sybertz, John Conley, Kevin Fleming and Kevin Gadsen say that this was the most talented West Roxbury team they have ever coached.

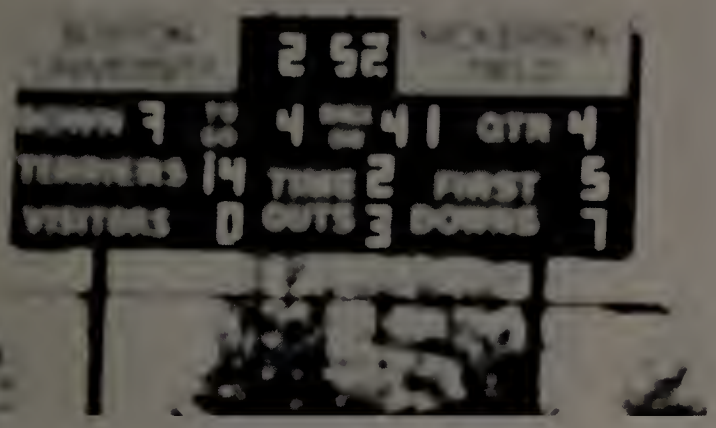
SUPER BOWL XVI

Westie vs. Greater Lawrence



Glories of the Past
December 5, 1987

West Roxbury captured their second Division V Super Bowl title. Raiders braved incredibly cold winds and freezing temperatures to destroy the Greater Lawrence Reggies with an astonishing 14-0 victory. It was a very memorable moment in Raiders sports history. A few months after the glorious game the Super Bowl team members from the class of '89 and '90 were proud to receive their Super Bowl rings at a springtime ceremony. (see photo below)

Raiders Defeat Gryphons 26-6

West Roxbury dominated the 80's by winning their third Division 5 Super Bowl title in 6 years — '83, '87, and '88. Once again the big game was played at Boston University's Nickerson Field, in frigid December temperatures and blustery winds, but this was our first game played under the lights. The loyal fans gathered in the cold night air to see if their team would do it once more, and they weren't disappointed. West Roxbury's opponent, the Greater Lowell Gryphons, was undefeated (10-0), but they were no match for the Raiders who were led defensively and offensively by Jermaine Woods, Hayden Jones, Derrick Rucker, Ron Stone and Dennis Smith. Way to go Raiders! Great way to end a great season!
